

Success Stories

Cindylee Dobner,
Professional Stylist, Solana Beach, CA

“In 30 years of hair styling, I’ve never seen a product do so much to help with hair loss problems. My clients are getting great results and love these products!”

“After using another well known hair loss product for several years with little results, with Capilatis I am growing hair where I never thought it would grow again. Even my kids notice the new growth!

R. G., San Diego, CA

“I used Nioxin products for 12 years, but in using the NutraCare’s Capilatis products, I notice my hair is thicker and healthier, and my scalp feels much cleaner.”

Eric H., San Diego, CA

“Prior to using your products, I was becoming increasingly bald and the hair I still had was progressively becoming thinner. Within two short months, my hair loss has stopped and my hair has become thicker and healthier!”

Tom K., San Diego, CA

“Capilatis has made my hair fuller and thicker; impossible to revert to old shampoos!”

P. M., San Diego, CA

“After two months of use, I noticed that there was new hair growing at balding areas on my scalp. I am looking forward to more new hair growth in the coming months.”

Capilatis Nettle Extract Hair Fortifying System

Capilatis is a powerful but gentle and natural hair fortifying system manufactured in Argentina. It has been used successfully for over twenty years by men and women to address problems associated with thinning hair and to help prevent hair loss.

You can experience fuller, thicker looking hair with increased body, shine, and volume.

Now Available in the U.S.!

Nettle Shampoo - provides a deep cleaning of the hair and scalp. It also fortifies the hair fibers and helps oxygenate the hair follicles. Frequent use helps address problems associated with thin-looking hair.

Nettle Conditioner - complements and enforces the action of the shampoo. It increases softness, shine, and volume of the hair. It contributes to healthier looking hair.

Nettle Lotion - is a crucial step and “jump starts” the fortifying treatment program. This lotion stimulates circulation in the scalp, oxygenates the hair follicle, strengthens and fortifies the shaft, helping stop hair loss.

Nettle Styling & Treatment Gel gives hair strong, long-lasting body and shine and provides ingredients that help stop hair loss.

FAQs

How will these products help with my hair loss?

- Inhibits the effects of DHT (a common cause of hair loss)
- Provides **deep cleaning** to remove excess sebum (fatty deposits) from hair and scalp.
- **Fortifies** hair fibers
- **Stimulates blood flow** to scalp
- Contributes to **oxygenation of hair follicles**
- Promotes hair and scalp health, **creating optimal scalp conditions for fuller, thicker, healthier looking hair.**

How long will it take before I can expect results?

Increased body and shine are noticeable very quickly. Significant results for hair loss generally occur after three months of frequent use, with more pronounced results after approximately nine to twelve months.

What are the key ingredients in these products?

Capilatis uses a proprietary formulation of extract from the **nettle plant** (*Urtica dioca*). Nettle is known to help stop hair loss and create optimal conditions for a healthy scalp and thicker, healthier hair. A **well known Swiss herbalist, Dr. A. Vogel, advocates nettle for stimulating hair growth.**

The nettle has been processed so it will not cause irritation to the skin or scalp. The active components are **totally biodegradable** for people who care about the health of their hair and our planet.
